**THE SPITZ GALLERY**

19TH NOVEMBER - 4TH DECEMBER 2005

109 Commercial Street, Old Spitalfields Market, London, E1 6BG

Presented by

Brian Rasic spends most of his waking hours in the pursuit of his great passion - photographing rock and pop stars.

The product of Brian's devotion to his craft is a massive portfolio which features stunning images of all the major acts of the past 25 years.

Born in Yugoslavia, Brian Rasic began his career taking pictures of local bands in his home town of Belgrade. He moved to London in 1979 as a correspondent for Yugoslav music magazines. Over the years, Brian has trained his lens on artists from every genre of popular music, including rock, pop, jazz, country and blues.

The list includes, to name only a tiny sample, Prince, U2, The Police, Frank Sinatra, Muddy Waters, Chuck Berry, Miles Davis, Dizzy Gillespie, Willie Nelson, Stevie Wonder, David Bowie, The Clash, R.E.M., Coldplay, Atomic Kitten, Robbie Williams, Beyonce. A dedicated fan of The Rolling Stones, Brian has also covered their shows for over 21 years, capturing some exceptional moments along the way.

Brian's pictures are syndicated to the media exclusively by Rex Features, the UK's leading independent photo agency, and have appeared in newspapers, magazines and books around the world.
